

Objectives

I am a designer looking for a firm interested in lifetime learners, question seekers and innovative problem solvers.

Experience

- Lead Graphic & Web Designer, Mplayit, Ashburn, Virginia** 2009–2010
Provided an all-around mortar for the bricks. Responsible for print design, web & UI design, front-end development, promoting Mplayit through social media, app statistics, app developer relations with Mplayit, corporate site and blog upkeep and delivery driving.
- Web Design Intern, VCU Dean of the Arts, Richmond, Virginia** 2008–2009
Responsible for maintaining and building the Art History Department's Web presence. Researched and built Web applications for the promotion of VCU Arts.
- Apple Campus Rep, Volt Services Group, Richmond, Virginia** 2006–2008
Promoted Apple products to VCU. Acted as a resource for support to students and faculty.
- Manager and Music Director, WVCW, Richmond, Virginia** 2006–2009
Managed operations on a day-to-day basis. Accomplished more in two years than what was completed in the last ten.
- Graphic Design Intern, WAVY-TV, Portsmouth, Virginia** 2007
Summer internship at a local news station. Trusted to contribute equally with the full time employees, making on air graphics, promotional materials and identity design.

Additional Experience

- Objects+Methods** 2006–2009
Lecture series at VCU with guests including Massimo Vignelli, Ivan Chermayeff and Chaz Maviyane-Davies.
- Tasmeem Design Conference** 2008
International design conference, Tasmeem, in Doha, Qatar where I participated and presented a charette-style project on the problems with transportation in a growing city.

Education

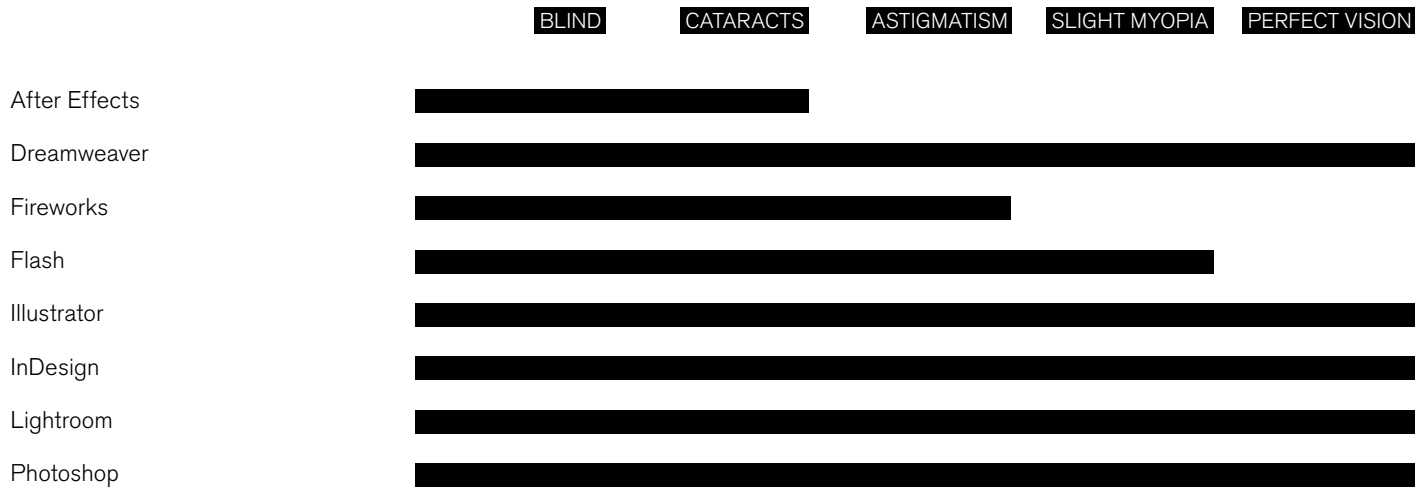

- Norfolk Academy, High School 2004
University of Maryland Baltimore County, Studied Engineering 2005
Virginia Commonwealth University, BFA in Graphic Design 2009
